### Women's and Misses' Strictly Tailored Suits.

HE fashionableness of Tailored Suits is unmistakable, and the correct lines and new modes demanded are best expressed in the selections we are now showing. They represent the standard of excellence in quality, style, tailoring, and lasting beauty.

#### Fine Suits at \$18.75.

The value of these suits may be judged from the fact that the identical qualities are often sold at \$25.00-and worth it. Colors are gray, brown, and blue mixtures and black and navy plain shades. A regular \$25 suit-\$18.75.

Made on the strictly tailored lines that are so decidedly modish this season. Their attractiveness extends much further than in style, however, for the fabrics and making cannot be surpassed. At this price, also, we are showing mannish mixtures and broadcloths and serges, in pavy, brown, wistaria, and black, in strictly tailored style, and models trimmed with velvet

#### \$55.00 and \$60.00 Suits now \$50.00.

From our own lines of Beautiful Suits we have taken these models and repriced them so as to effect a saving of \$5.00 and \$10.00. Broadcloths, serges, and mixtures are represented, and the shades and styles have a beauty almost beyond description all one-of-a-kind models.
